Our Team

Our Residential Property team is part of our [Private Wealth and Tax team](#), which is led by [Christopher McGill](#). Our Residential Property team is led by [Phil Harris](#), assisted by [Kristina Jones](#) and Kirstin Wilson (Paralegal).

At the beginning of an instruction we shall provide you with a “letter of engagement and terms of business” setting out the basis upon which we shall charge for a particular matter and ancillary matters relating to how the work will be conducted and who is involved.

Where our fees are based on the time spent on a residential conveyancing matter, we will provide you with details of the applicable hourly rates. While our hourly rates will vary depending on various pricing factors, these typically range from £210 per hour up to £710 per hour (depending on the experience and location of the relevant fee earner, the complexity of the matter in question and other pricing factors). All hourly rates are stated exclusive of VAT (charged at 20%) and disbursements. In certain cases, including where matters are particularly complex or high value we may adjust rates to take account of the work involved. You will be notified of all such rates in writing.
